

Read Colossians in 31 days

In Christ Alone

During the pandemic, we see lots of “counterfeit” products for sale. They range from hand sanitizers to self-testers and immune system booster medication. These counterfeit products give people who buy them a false sense of security. This situation of counterfeits happened to the believers at Colossae, and they were in danger of losing their genuine Christian faith. Paul wrote to help them get back on course against those who refused to recognize Jesus Christ as the complete and all-sufficient Saviour. In Christ alone, believers will find the fullness of God and complete forgiveness of sin. He is mighty to save, and our faith in Christ alone is sufficient to meet all of our needs.
