### Jonah - God's Relentless Pursuit

Have you ever found yourself fighting with God's will? God desires you to go one way, but you desire to go another? Jonah found himself in this predicament. He was reluctant to do the will of God. Even though he agreed to follow God's will, his heart was not aligned with God's. God wants our actions and hearts as much as He wanted Jonah's. As we study the book of Jonah, allow the message of Jonah to provoke and challenge our personal and spiritual growth as believers.
