### When Your World Is Put On Hold

Have you ever made a phone call to your family doctor, bank, insurance company, etc. and you were put on hold? Sometimes circumstances, like a pandemic, happen that make you feel like your world is put on hold. Don't hang up on God, He is still at work and has important lessons to teach us. As we study some of the Bible characters, allow their stories to bring you hope and strengthen your faith for the times it seems like you are put on hold.
